## Tutorial Services

**Tutorial services are provided to currently enrolled CSU students and are paid for by student fees. There is no additional charge to students when they access these services.**

### Academic Center for Tutoring (ACT)

Tutorial Services is located in the **Schuster Center for Student Success, Room 205** and is coordinated by Ms. Kelly Koch. We offer free tutorial assistance for core curriculum courses not served by the Math and Science Learning Center or the Writing Center. ACE provides tutoring in American & World History, Political Science, Sociology, Psychology, Geography, Foreign Languages, Philosophy, etc. For more information please call Kelly Koch at 706-507-8788.

### Business Tutoring

The Turner College of Business offers a tutoring lab which is available to all students currently enrolled in ACCT 2101, ACCT 2102, BUSA 3115, ECON 2105, ECON 2106, FINC 3105, FINC 3115, and MISM 2115. They are located in the **Center for Commerce and Technology, Room 347**. For more information call 706-507-8158 or visit <http://business.ColumbusState.edu/student-services/tutoring.php>.

### Computer Science Lab

The TSYS Department of Computer Science offers lab assistants to help with all of your Computer Science needs. They offer help with JAVA, MS Office/Access, HTML, etc. They are located in the **Center for Commerce and Technology (CCT), Room 450**. For more information call 706-507-8170 or visit [http://cs.ColumbusState.edu/students/lab\\_skills.php](http://cs.ColumbusState.edu/students/lab_skills.php).

### The Math and Science Learning Center

The Math and Science Learning Center is located in **University Hall, Room 250**. This center provides free tutorial services for core courses in math and science. Assistance is also provided for selected upper division courses in math and science. For more information, call 706-507-8464 or visit <http://mslc.columbusstate.edu>.

### The Writing Center

The Writing Center can help with ANY writing assignment. They are located in **Woodall Hall, Room 116**. The Center provides trained and knowledgeable Peer Writing Consultants who assist undergraduate and graduate students of all ability levels with writing assignments in courses across the curriculum. For more information, please call 706-568-2483 or visit <http://writingcenter.columbusstate.edu>.

## Advising Centers

**Working with your academic advisor is a critical part of your success at CSU. To find out who your academic advisor is, you can check your Academic Advising Record in CougarNet, or you can view advisors by major on the ACE website: <http://ace.columbusstate.edu>. Not every major uses an advising center; questions regarding advisement can be directed to your major's department.**
